## For the attention of international students of the 2nd Medical School!

The following textbooks from the "Required Reading List for Faculty Classes" are now available for purchase at the very special low student price:

Kahle W.: Color atlas and textbook of human anatomy (3 vol.) 2850,- Kč

Murray R. K.: Harper's illustrated biochemistry 1050,- Kč

Kumar V.: Robbin's basic pathology 2000,- Kč

Sadler T. W.: Langman's medical embryology 1100,- Kč

Junqueira L. C.: Basic histology 1200,- Kč

Kasper D. L.: Harrison's principles of internal medicine 2550,- Kč

The items are displayed for inspection at the desk of the Computer Hall of the Medical Library and Information Department (Ústav vědeckých informací). After payment at the Cash Office (Deanery) the chosen title(s) of interest will be prepared for taking out at the Secretary of the Medical Library and Information Department (Mondays and Thursdays, 1:00 p.m.-3:00 p.m.)
