

International Scholarship Exchange of PhD Candidates and Academic Staff

Zobrazit v kalendáři: 30. 4. 2019 (Celé dny)

The purpose of the Programme is to improve competences of **doctoral students, academic Staff from Poland and abroad**, including those from outside the EU, to acquire and broaden their knowledge about available modern researching techniques, scientific achievements and analysis methods of complemented data by taking part in the scholarship exchange. The participation in the project will allow to choose the way of research work of the PhD candidate or to collect necessary materials for the dissertation/ scientific work, thereby, to accomplish doctorate/ academic work or to publish an article or to get a certificate confirming the acquired skills.

The project will be conducted till September 30th, 2019.

I cordially invite PhD students and employees of the University to participate in the program, under which candidates willing to come to Medical University of Silesia in Katowice will receive travel expenses, as well as a scholarship for each day of exchange.

More details on participation in the program, including Regulations and forms can be found on the University's website at the link:
