application instructions

The Department of Integrative Biology and Physiology (IBP) at the University of Minnesota is seeking undergraduate students to participate in a biomedical laboratory-based research and education program. We are especially interested in students who are underrepresented in biomedical research and/or medicine.

HIGHLIGHTS

- Participate in cutting edge research
- Receive excellent scientific mentoring
- 10 week program - June 3-August 9, 2024.
- \$6,000 stipend
- Travel funds available to a scientific conference

Questions? email: ibpdept@umn.edu.
Please put "UPRIME" in the subject line.
