FRI, 30.09

- 8.30am CZECH
- 6pm WHITE COAT CEREMONY

SAT, 01.10

- 12pm GO SPORTS! (TBA) INTERFACULTY PARTY

Intensive Czech course

The smoothest transition into a new living environment is learning the language. This will help you communicate better with patients and learn more about the country. The introductory course offers you an excellent opportunity to start learning Czech quickly and intensively! **Please note that the Czech themes taught during this week will not be repeated at the beginning of the academic year and students who attend all classes and complete the final test will be awarded academic credits.**

Lectures from upper year students

Learn the tools you need to not only live in Prague, but also how to stay on top of your studies. Upper year students will provide you with useful information and answer any questions you may have. What better way is there to get settled in than to ask the students who have successfully done it before you?

Team building

Get to know your peers while competing in fun ice breaker activities. Show us your team skills and come meet the upper year students!

Ahoj!

Prague Tour

Where are the best places to study or for a beer? You will be moving to an amazing city in the heart of Europe and on our tour we will explore beautiful Prague. We will show some great place to help you get to know the city better.

pBP Pelican Buddy Program

The Pelican Buddy Program was created to make life as a first year student easier. You get paired with an upper year student who will be your mentor and help you with anything you may need. **We encourage you to sign up for a Pelican Buddy Program!**

Check out our website for more information

White coat ceremony

This ceremony represents your introduction into the medical society! Speeches will be given by the Dean and some faculty members. Individually, each student will be called up to receive their **first white coat**. Along with your peers, you will then recite an oath pledging your sincerity to your future profession. The ceremony is held in the beautiful and historical **Profesní dům at Malostranské náměstí**. After the ceremony, everyone is invited to enjoy a delicious dinner. Your family is most welcome to attend! **Dress code: formal**.

How to find our faculty:

< Main building where classes will be held (at tram stop Motol)

Czech classes will be held here every day from 8.30am

Contact for the Coordinator of International Students: Mgr. Petra Fabingerová (petra.fabingerova@lfmotol.cuni.cz)
