

You can generate your Confirmation of study status easily from SIS:

1. Log-in to SIS and find a tile “Personal data and settings” (bottom of the homepage)

2. Find a tile “Print Confirmation” in the top row of particular actions:

3. You'll get this interface:

A screenshot of the 'Print confirmation' interface. It features a blue header with the title 'Print confirmation'. Below the header, there are three radio button options for confirmation type: 'Confirmation of study in the academic year: 2023/2024' (selected), 'Confirmation of study at address:', and 'Confirmation of study progress'. There are also two radio button options for PDF format: 'regular PDF' (selected) and 'PDF with a digital signature'. A 'Show' button is located at the bottom of the form.

- a) Option 1: regular PDF
  - You print the confirmation, and bring it to our office for us to stamp & sign
- b) Option 2: PDF with digital signature
  - If used digitally, it has the same level of significance as an original signed and stamped by us
  - If you want to use this confirmation as a hard copy, **you have to authenticate the electronic stamp first**
    - Done at any CzechPoint for a fee of (30 CZK)
    - More info here:
