Information for students

Dear Students,

Welcome to the Department of Infectious Diseases of Hospital Na Bulovce. We would like to ask you to follow these simple rules:

- For the entrance to the building of our department please use only the entrance for staff and students on the 2nd floor.
- Unfortunately the elevator is for employees only, please use the stairs.
- The tuition includes lectures and ward rounds. The lectures will be usually held in the seminar rooms on the 6th and 7th floor. For the ward round please wait for your teacher in the cloak room, which is situated on the 5th floor. The key to the cloak room will be provided by the secretary. The secretariat of our department is situated on the 8th floor on the left side (every day 8 a.m. – 12 a.m.).
- During ward rounds please always wear provided protective gown, mask and your slippers. You can buy overshoes in the secretary's office. Please wear your student identity card visibly.
- Before and after contact with every patient (physical examination) do not forget to wash and clean your hands.
- Do not hesitate to ask us if you have any questions.
